KOINONIA BIBLE STUDY This week we are studying Lesson 4 "Rejecting Wisdom" in the "5 Ways to Wreck Your Life" series. This study is a mix of wisdom from Proverbs and regret from Ecclesiastes. In two weeks we start a new series, lead by Bill Campbell, on the Hebrew Testament book of Job which is considered both a theological and a literary masterpiece, the book of Job is an honest portrayal of God allowing a good man to suffer. The test of Job's faith, allowed by God in response to a challenge from Satan, revealed God's loving sovereignty and the supremacy of divine wisdom over human wisdom (personified by Job's friends).
