Evening Host Responsibilities (8-2025)

- Be on site from 6:45pm to 8:45pm.

- Sign in on volunteer sheet in binder. Make your own nametag and introduce yourself.

- Interact with families, keeping an eye on the children, supporting and listening to parents, helping with homework or engaging in an activity (games, crafts, basketball, reading, or outdoor playset or other activity weather permitting). **Parents must be asked permission for a child to do activity and 2 adults should be present with children at all times (this can include the parent and the volunteer). A specific activity may be planned so check with the supervisor or on the schedule.**

- OUTSIDE ACTIVITIES are encouraged! Playground is a good option as long as two adults go out and two stay in.

- **Activities are optional. Please be flexible and if children do not want to play don't force it.**

- EVEN IF FAMILIES RETREAT TO BEDROOM, AT LEAST ONE VOLUNTEER HOST MUST STAY AS A SECOND CHAPERONE WITH THE SUPERVISOR.

- Bedtime is 9pm for the children. Encourage the children begin to clean up the toys or activities around 8:30pm.

- Do general clean-up AND SANITIZATION of gym activity area with cleaner provided.

- Leave at 8:45pm or earlier, only after Overnight Hosts arrive.
